

ELVERUM GOLFKLUBB

A hidden gem!

This golf course is a great choice for your golf experience in the Norwegian woods. It's located in Elverum, about 140 km north-east of Oslo and just 80 km from the Swedish border. Enjoy a relaxing day in nature and enjoy all that it offers, – it really makes a difference at this course! Undulated fairways run through natural forest with tall pines surrounding every hole. The course is very varied, and determination and precision are essential to avoid being punished by various obstacles along the way. The friendly service and the good atmosphere at the clubhouse is unique. Elverum Golf Club is connected to the Academy / Training Center of the PGA in Norway.
