

NAF TRAFIKKSENTER/VÅLERBANEN

Welcome to our circuit!

NAF Trafikksenter/Vålerbanen is a purpose built driving educational venue offering the driver a real life experience of speed on different roads and conditions. Both on and off road. The center is Scandinavias most complete venue for educational driving and racing events. We offer a restaurant, a brand new hotel and party tents.

Facts about the circuit and surrounding venue:

- 7, 5 kilometres of tarmac track, thereof 2, 3 km main circuit for racing.
- 3 slippery tracks: one hill, one bend and one long straight with special dimensioned for heavy vehicles. The slippery track is open both summer and winter.
- NAF Trafikksenter/Vålerbanen owns a large range of vehicles and all the equipment on the track.
- Practicing area with roundabouts, intersections, traffic lights and other driver dedicated challenges.

The event vehicles for hire:

- Zodi Go-carts, SUV, ATV, Snowmobile and Toyota GT86

SEASON: All year

SUITED FOR: Adults, Group rentals
