

Scandinavian Nature DeLuxe

Enjoy the Scandinavian nature with some added comforts. Complete kayaking packages with or without a hiking option. We serve hot food for lunch and dinner and what you don't need along the way, we transport to the food/night stops. Choose from a two day kayak package or a combo with one day hiking and two days kayaking. If you have a tent of your own, you can sleep in that for privacy, or you can sleep in our big tent.

If you don't need the full package, we can just provide you with kayaks and maps and point you in the right direction for your own wilderness experience. We have routes that range from day trips (with or without guide) to a full week.

Depending on the booking situation, the packages can be tailored when it comes to length and content.
