

# VILDMARK I VÄRMLAND

## Canoeing expeditions in Värmland

The northern part of Värmland offer magnificent canoeing on rivers and lakes. All our tours are self guided and local transport is included. The river Klarälven with its gently flow and lovely beaches is perfect for families and beginners. Bergslagen is an area rich in lakes where you can experience some "real" wilderness. The Svartälven is one of our best canoeing waters offering outstanding natural beauty. Rottnan is a small river winding its way trough the deep Finnish Forest. Röjdån´s combination of river and smaller lakes takes you through a verdant valley.
